SOJU

Chum Churum - 355ml (17%)

Popularly consumed chilled and neat, soju is a staple in Korean culture. Distilled utilizing purified alkaline mineral water. Made from rice, potatoes, sweet potatoes or tapioca.

Jinro is Back - 360ml (16.9%)

Smooth and crisp. It has a lower and subtle burning sensation compared to other everyday sojus. Made with bamboo charcoal filtration.

40240 Dokdo - 375ml (17.3%)

Utilising the highest quality mineral water (deep purified water extracted from the East Sea, next to Korea's symbolic Dokdo Island) and the highest quality Korean rice. Considered a blended soju.

Hwayo 17 - 375ml (17%)

Rich with the characteristic aroma and flavour of Korean rice. Well balanced with a soft and mouthful finish.

Hwayo 25 - 375ml (25%)

Rich with the characteristic aroma and flavour of Korean rice. Well balanced with a soft and mouthful finish.

Hwayo Soju 41 (41%)

Rich and complex yet delicate with a smooth and clean finish.

KOREAN SWEET CHILLED WINES

Bokbunja - 375ml (15%)

Made from Korean black raspberries. Rich aroma of natural freshness and a burst of ripe raspberry flavours.

Seoljoongmae - 375ml (14%)

Made from Korean green plums. It is sweet and refreshing served chilled.

Malgennaell - 750ml (7%)

A light persimmon wine with a sweet tanginess. Refreshingly delicious!
